Ministry of National Health Services,
Regulation and Coordination,
Government of Pakistan

Ministry of National Health Services Regulations and Coordination

Most frequently reported cases during epid week 03 to 09- 2024

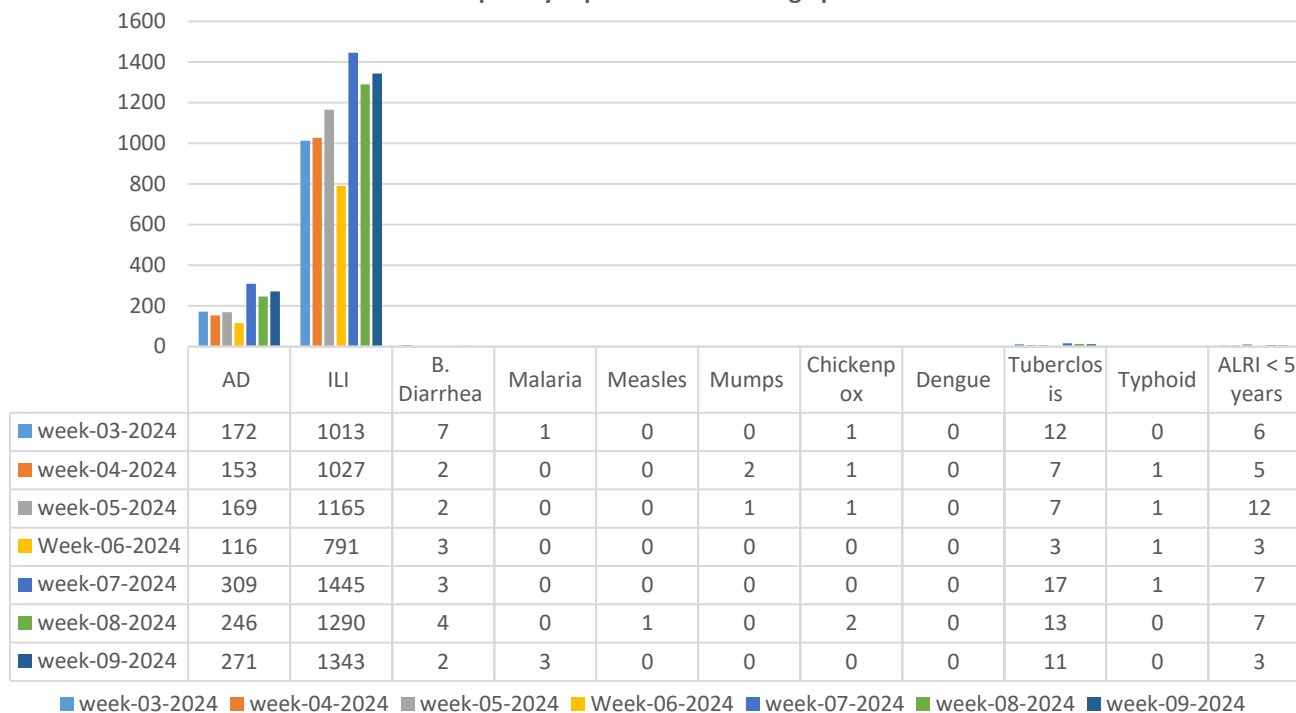

Figure 3: There is increase in number of AD (non-Cholera) & in ILI cases week 09-2024.

COVID highlight

Sampling Reports 26th to 03rd. Mar. 2024

Total Positive	Total Negative	Total Pending	Total Sample Taken
0	40	0	40

Table 3: Showing 0 % positivity rate during epidemiological week 09-2024.

COVID-19 Vaccination Data

First Dose	Second Dose	First Booster	Second Booster	Third Booster	Total
2	4	7	8	2	23

Table 4: Showing a total of Zero doses given during epidemiological week 09-2024

Expanded Program on Immunization activities of Health Department ICT

EPI in Pakistan is coordinated at Federal Directorate of Immunization under the Ministry of National Health Services and Regulation Coordination (NHSR&C). The EPI program shall be including vaccines for prevention of vaccine preventable diseases among the adolescents and older age groups as the evidence of vaccines' effectiveness is acquired and advised by the NITAG. The immunization schedule shall thus be periodically updated as and when required depending upon the local disease burden and requirements. The health department with an objective to improve the health of all works on prevention of the diseases EPI is one of the major components. The EPI at district level is managed and supported by staff at district level and the EPI services are provided at Union council level through Fixed Centers, Outreach Vaccination sites and mobile if applicable.

Total EPI Coverage Antigen wise coverage in ICT rural during week
09-2024

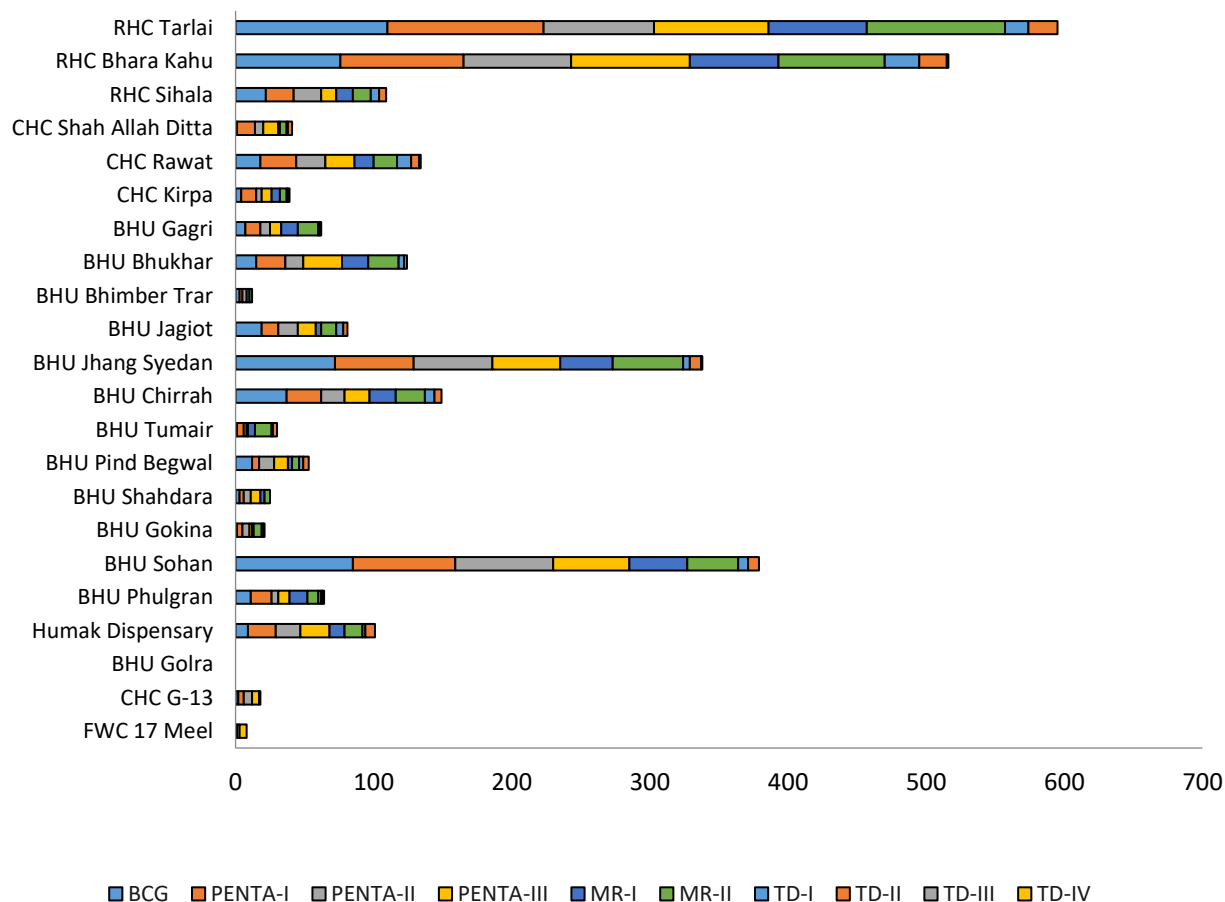

Figure 4: In week 09-2024, total coverage vaccine wise. BCG 508, Penta I 531, Penta II 445, Penta III 449, MR I 340, MR II 425, TD-I 98, TD-II 99, TD-III 3 and TD-IV 1.

Total EPI Coverage in ICT rural during week 09-2024

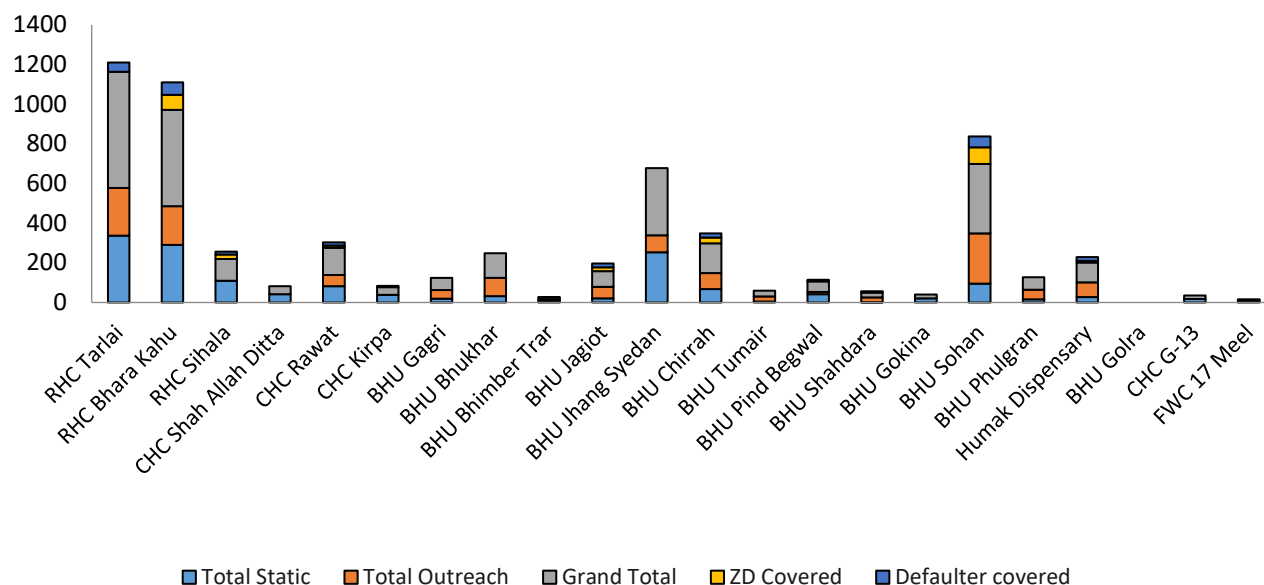

Figure 5: In week 09-2024, Total static coverage was 1530, Outreach total was 1292, Zero dose covered were 257, and defaulter covered were 272.
